

GROUP LEVEL INFORMATION

Brand Self Assessment Questionnaire for Man Made Cellulosic Fibre Producers (April 2019)

1) This questionnaire has been developed in collaboration with a number of brands in order to gather some basic benchmarking data from MMCF producers. MMCF

2) MMCF PRODUCERS ONLY NEED TO FILL IN ONE QUESTIONNAIRE AND THIS CAN BE SHARED WITH ALL BRANDS THAT REQUEST IT MMCF

3) This section (tab) is to be filled out on a GROUP level and only needs to be filled out ONCE by the group contact.

4) Site specific questions are in separate sections (tabs) - PLEASE FILL OUT ONE TAB PER SITE (Note the information is the same on each site tab)

1.0	GENERAL INFORMATION	
	Date questionnaire completed	1 2020
	Name of MMCF Group MMCF	“ ”
	Group Contact - Name	
	Group Contact - Email Address	
	Group Contact - Address	.21 , ,
	Group Information Self Assessment Questions completed by	
1.1	List all sites this Group has ownership of and complete a separate "Site info" tab FOR EACH SITE “ ”	
	Site 1 - Name of Site	“ ”
	Site 1 - Address	.21 , ,
	Site 1 - Country	
	Site 1 - GPS Co-ordinates GPS	12 . . .
	List all fibres produced at this site - Viscose Staple Fibre (VSF) / Viscose Filament Yarn (VFY) / Modal / Lyocell	- / / /
	Do you produce Spun dyed fibre on this site?	
	List production volumes (tonnes) of each fibre produced for the reporting period	() , , 00
	Date when site established	1 0
	Number of lines	
	Any other relevant information or comments e.g. date of major expansions/refits	
1.2	List all sites this Group has ownership of and complete a separate "Site info" tab FOR EACH SITE “ ”	
	Site 2 - Name of Site	
	Site 2 - Address	
	Site 2 - Country	
	Site 2 - GPS Co-ordinates GPS	
	List all fibres produced at this site - Viscose Staple Fibre (VSF) / Viscose Filament Yarn (VFY) / Modal / Lyocell	- / / /

Do you produce any fibre on this site?

List production volumes (tonnes) of each fibre produced during reporting period

Date when site established

Number of lines

Any other relevant information or comments e.g. date of major expansions/refits

- 1. List all sites this Group has ownership of and complete a separate "Site info" tab FOR EACH SITE

Site 3 - Name of Site

Site 3 - Address

Site 3 - Country

Site 3 - GPS Co-ordinates GPS

List all fibres produced at this site - Viscose Staple

Fibre (VSF) / Viscose Filament Yarn (VFY) / Modal /

Lyocell - (VSF) /

(VFY) / / Lyocell

Do you produce Spun dyed fibre on this site?

List production volumes (tonnes) of each fibre produced for the reporting period

Date when site established

Number of lines

Any other relevant information or comments e.g. date of major expansions/refits

- 1. List all sites this Group has ownership of and complete a separate "Site info" tab FOR EACH SITE

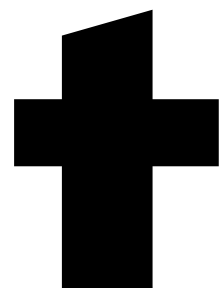

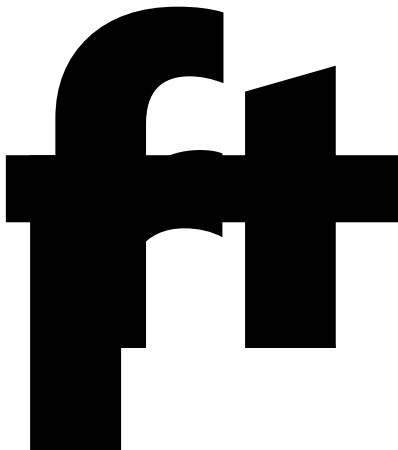

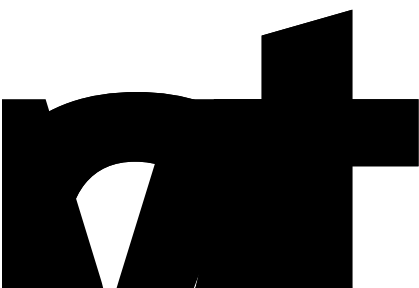

List production volumes (tonnes) of each fibre produced during reporting period

Date when site established

Number of lines

Any other relevant information or comments e.g. date of major expansions/refits

" "

Site 5 - GPS Co-ordinates GPS

List all fibres produced at this site - Viscose Staple Fibre (VSF) / Viscose Filament Yarn (VFY) / Modal / Lyocell - (VSF) / (VFY) / / Lyocell

Do you produce Spun dyed fibre on this site?

List production volumes (tonnes) of each fibre produced for the reporting period

Date when site established

Number of lines

Any other relevant information or comments e.g. date of major expansions/refits

1. **List all sites this Group has ownership of and complete a separate "Site info" tab FOR EACH SITE**

1.	<p>Are you fully aware of the CanopyStyle Campaign on viscose and have you read Canopy's viscose (Hot Button) report? CANOPYSTYLE CANOPY HOT BUTTON https://hotbutton.canopyplanet.org/</p>	
1.	<p>Are you fully aware of the CanopyStyle Audits being performed by Nepcon (formally Rainforest Alliance) and have any audits been carried out for any of your sites? Nepcon() CanopyStyle ? https://canopyplanet.org/campaigns/canopystyle/</p>	
1.10	<p>Has your company been awarded a green shirt in the most recent Hot Button Report? ?</p>	
1.11	<p>If your company has had a CanopyStyle Audit does it confirm a result of 'low risk' of sourcing from ancient & endangered forests? CanopyStyle " "</p>	
1.12	<p>(/) (/) // . / / - /</p>	
1.1	<p>& " // . / - / /201 /0 / - - - - - - .</p>	
1.1	<p>Do you agree / disagree that the improvement actions in the report are realistic and achievable? /</p>	<p>- & - - - - - - - - - - -</p>
1.1	<p>On a scale of 1-10, how closely do you align yourself with the report and why? (1= closely aligned / 10= not aligned) 1-10 ? ?(1= / 10=)</p>	<p>1</p>

&

1.1 Have you begun or initiated any improvement actions against the relevant issues that are discussed in the report?

1.1 Are you members of the CV Group of Chinese MMCF Producers?

1.1 Are you a contributor of the ZDHC Group?

1.1 Is your company registered on the ZDHC Chemical Gateway?

2.0 COMMITMENT

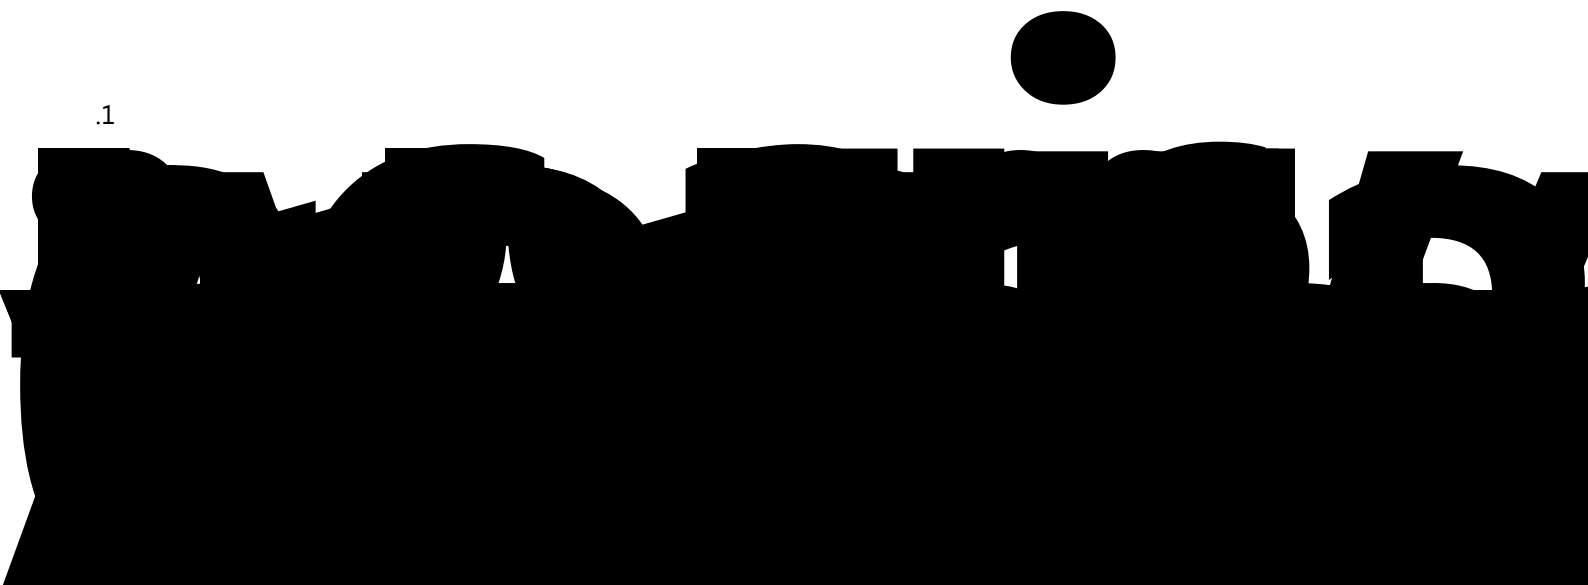

2.1 Please state your Group Commitment to moving towards a closed loop manufacturing systems (for the whole production site) at each of your individual sites by 2023/2025?

2.2 Has the implementation of a closed loop system been integrated into your group policy or strategy yet?

3.0 ACTION PLAN AND REPORTING

Do you have a detailed Group Action Plan with clear milestones and timescales indicating how and when each of the following Improvement Actions will

.1

.2	How often will you publically declare i) Independent Site Audit information ii) Progress against the milestones and timescales of the Action Plan iii) Emissions data from all sites	
.	Have the Improvement Actions been integrated into your company policy or strategy yet? ?	
	DOCUMENT CHECK - Group Action Plan -	-
.	How will you monitor these milestones and timescales?	
.	Have you established an internal audit programme to regularly report on progress and ensure that progress is kept on track? ?	
.	How will you report your Group Action Plan and your progress towards achieving your Action Plan? ?	
	DOCUMENT CHECK - Group Action Plan progress report -	-
.	How will you disclose your Group emissions data? ?	()

4.0 SITE AUDITS

.1	Have any of your sites had an independent Environmental Audit? ?	
.2	Have any of your sites had and independent Social and Labour Audit? ?	'
	" "	

5.0 RAW MATERIAL SOURCE (PULP etc.)

.1	Does the company have a Pulp Sourcing Policy? ?	
	DOCUMENT CHECK - Pulp Sourcing Policy -	'
.2	Do your Pulp Supplier/s have a Wood Sourcing Policy/ies?	
.	Do your Pulp Supplier/s provide you with wood source certifications?	/
.	Does the Company currently map and trace its raw material feedstock (wood) back to the forest? () ?	' '

	Does the Company carry out independent audits to ensure wood is not sourced from ancient and endangered forests? ?	2020 2020
	Do any of the Companies sites have Third Party forest certification such as FSC / PEFC / SFI COC? FSC / PEFC / SFI COC?	
	What % of the following certified and controlled sources do you use as a company? ?	(%) / (%) / (%) (%)
	Have you completed a Canopy Style Audit (conducted by NEPcon - formerly Rainforest Alliance) for the parent company? CanopyStyle (NEPcon())?	
	Were any of your sites visited as part of the Canopy Style Audit? CanopyStyle	
.10	Does the CanopyStyle Audit confirm a result of low risk of sourcing from ancient & endangered forests at any of your sites?CanopyStyle ?	
.11	Please provide link to the public CanopyStyle Audit Report (all reports are intended to be public) CanopyStyle ()	
.12	Does the Company have a clear plan of action to address indicators "not met" or "in progress" as part of the audit? " " " " ?	
	DOCUMENT CHECK - Canopy Style Audit CanopyStyle	- / - - / -

soil or
ins either intentionally or deliberately?

effluent tested) how often?

- .1 Is your sludge classified as hazardous waste?
- .1 Is there any unauthorised burning of waste/solid waste?
- .1 Are records of independent waste test results retained for a period of 12 months?
- .1 Is solid waste stored in a secure, segregated and clearly labelled areas?

9.0 THIRD PARTY VERIFICATION AND CERTIFICATIONS HELD AT THIS SITE

What Third Party Verification and Certifications are used to certify the key aspects of the following areas:

- .1 Forest Sustainability (e.g. FSC, PEFC)
- .2 Chemical Management (e.g. Bluesign, Okeotex-step, ZDHC tools)
- . Environment (e.g. ISO14000, HIGG FEM, BEPI) 1 000 ()
- . Product Safety (e.g. Okeotex-100, Eco-passport) -100
- . Ethical Compliance (e.g. SA8000, BSCI, SEDEX, OHSAS18000) 000

11.2 **Is there a named person who is responsible for safety on site?** , (? , .)

11. **Is regular safety training given to the workers?** ,

11. **Is the site compliant with local and national laws for fire prevention?** ?

11. **Is the site compliant with local health, safety and employment legislation?**

?

11. **Has the site been involved in any discussions or plans with local communities to remediate historical pollution and damage caused by the manufacturing site?**

?

12.0 CHEMICAL MANAGEMENT

12.1 **Does the site have a Chemical Management Policy supported by Senior Management?** , (? , .)
